

# Terry Burke Dotson

## State Representative

7th Worcester District

- **Served 33 years in military**
- **A Democrat in the spirit of FDR and JFK**

### Why should citizens of Millbury, Auburn, Charlton, and Oxford vote for me?

After 20 years, it's time for a new face, someone who doesn't measure success by just answering 60 roll calls every year.

### Terry Burke Dotson will engage in the issues, including:

- ★ Repeal of the badly-written Transgender Anti-Discrimination law, which the incumbent voted for.
- ★ Reinstatement of the Glass-Steagall act, to get federal money back into the hands of the state, which can pass it to cities and towns. The Millbury Town Meeting voted for this proposal but the incumbent refused to support it.

Dotson is the **ONLY VETERAN** on the ballot in Millbury.

### Qualifications:

33 years of honorable service in the military

Political experience including 12 years on the Millbury Planning Board, member of Millbury Master Plan Committee, and the Millbury Youth Commission.

Currently working full time in a local public high school.
